JOHN LEGEND

The singer (and [dad-to-be!](#)) has released a new wine line, [Legend Vineyard Exclusive](#), which he says is "a dream long in the making." A collaboration with Napa Valley winery Raymond Vineyards, LVE's first two vintages include a 2013 cabernet sauvignon (\$85) and a 2014 chardonnay (\$45) – which are described as a "series of rich, soulful and complex notes inspired by true love."
