Losing Weight With Hydroxycut
You can still lose weight this holiday season with the brand's advanced formula, Hydroxycut Black. According to the brand, each capsule utilizes liquid-thermo technology, along with ALA, which aids in the metabolism of carbs, proteins and fats.

Drinking LVE Collective
Let **John Legend** help stock your wine cabinet! With the brand's subscription membership, members get three bottles of exclusive wine, curated by the singer from LVE and Raymond Vineyards, four times per year, shipped straight to your door. Cheers to that! From \$140, lvewines.com

Eating Omaha Steaks
You can't beat the meat of this steak and seafood company celebrating 100 years in business! **Katie Holmes** was spotted shopping in the brand's L.A. store picking up a box of private reserve filet mignons. Dinner is served! omahasteaks.com
