

## RAYMOND VINEYARDS UNVEILS OUTDOOR THEATER SUMMER SERIES

### Outdoor Theater Debuts with a Summer Series of Watch Parties, Movie Nights, Complimentary Tastings, and Immersive Vineyard Experiences on its Biodynamic® Estate

**June 5, 2026 | St. Helena, Calif.** — Raymond Vineyards announces the launch of the **Raymond Outdoor Theater Summer Series**, a new collection of experiences and events designed to bring guests together through wine, entertainment, pairings, and seasonal experiences at the winery’s Rutherford estate.

Beginning June 5, Raymond’s Grove will become the center of summer activity in Napa Valley, featuring outdoor movie nights and live sports experiences with wine and pizza pairings, artisan gelato pairings, vineyard-focused offerings, special events, and estate wines served open-air amongst the vineyards.

The program expands Raymond’s immersive and inclusive approach to hospitality, creating new opportunities for guests to enjoy the property while exploring Raymond’s commitment to Biodynamic® farming, sensory exploration, and Napa Valley winemaking.

“The Raymond Outdoor Theater Summer Series bring together many of the elements that define Raymond today — wine, creativity, connection, inviting hospitality, and memorable experiences designed to be shared,” said Jean-Charles Boisset. “Wine brings us together; a winery is a destination to gather and connect... Uniting wine and culture, Raymond is the destination for wine connoisseurs as well as those discovering the wine world for the first-time, and at Raymond we invite the world.”
