### SONOMA COUNTY PINOT NOIR

With its roots so deeply ensconced in the foundations of Sonoma where it was established in 1857, Buena Vista Winery is again introducing wines from Sonoma. The Sonoma wines include a diverse array of varietals that celebrate the diversity of Sonoma's terroir and the contribution of Buena Vista to establishing the California wine world.

The 2017 vintage was marked by extreme conditions that reduced crop size, starting with abundant winter rainfall and mild spring weather, which led to vigorous vines. Our Sonoma County Pinot Noir was harvested from our vineyard partners in various regions of the Sonoma County appellation to craft a wine that was immediately enjoyable upon release.

This beautiful Pinot Noir opens with bright red fruit aromas of strawberry, rhubarb and Bing cherry that continue through to the palate. Notes of orange zest and baker's chocolate complement the red fruit flavors with layers of cherry blossom and a hint of blueberry. Medium bodied with good acidity, this is a nicely balanced wine with a finish that lingers.
