### Sonoma County Zinfandel

With its roots so deeply ensconced in the foundations of Sonoma where it was established in 1857, Buena Vista Winery is again introducing wines from Sonoma. The Sonoma wines include a diverse array of varietals that celebrate the diversity of Sonoma's terroir and the contribution of Buena Vista to establishing the California wine world.

The 2018 vintage was marked by extreme conditions that reduced crop size, starting with abundant winter rainfall and mild spring weather, which led to vigorous vines. The growing season saw three heat spikes, including one over Labor Day weekend that kicked harvest into high gear.

The 2018 vintage of our Sonoma County Zinfandel is a true representation of Sonoma County's diverse terroir and is an exceptional expression of the varietal. Deep red in the glass, this wine opens with a bouquet of dark fruit notes and expresses jammy flavors of boysenberry and blackberry complemented with hints of cinnamon. This well-structured wine leaves a long lasting and lingering finish.
