GREEN VALLEY

GREEN VALLEY OF RUSSIAN RIVER VALLEY
SONOMA COUNTY

VINTAGE 2018

IN THE VINEYARD

In the western hills of the Russian River Valley, the small Green Valley appellation is one of Sonoma County's coolest regions. Evening fog rolls in over from the Pacific Ocean to temper the warm summer days. These optimal conditions extend the growing season, encouraging flavor concentration in the berries while soils rich in minerals from an ancient seabed infuse the fruit with nuanced flavors.

CONVERSATIONS WITH THE WINEMAKER

This wine is a blend from several vineyards and Pinot Noir clones, each of which contributes something unique to the finished wine. The backbone of the blend is from the late-ripening Ferguson Vineyard (Swan Clone) which lends dark, intense fruit and tannins to the wine. The Giberti Vineyard (Clone 115) ripens earlier in a slightly warmer area of the valley while the Swicegood Vineyard (Clone 777, 667, 115) has soils that are reminiscent of those in Burgundy: rich in clay and calcareous. Grapes are destemmed and go through native fermentation in open-top vats with hand punchdowns before being aged in French oak barrels.

TASTING NOTES

A vibrant nose of spiced strawberry, flowers and herbs spring from the glass. Delicate flavors of dried red fruits mixed with orange rind come together in this elegant and complex wine. Medium-bodied with balanced acidity the finish is long.
