#### VINICULTURAL SOCIETY

The Buena Vista Vinicultural Society was formed in 1863 by the winery's founder, Count Agoston Haraszthy, to further improve its winemaking prowess and expand its vineyards. The Vinicultural Society has been restored as a collection of unique small-production wines that honor the winery's pioneering spirit and contribution to California winemaking. The collection of wines explores clonal selections, varietals and the incredible terroir of Northern California. In keeping with the adventurous spirit of Buena Vista's founding, we are proud to bring you this delicious 2019 Cinsault Rosé, known for being lightly pink in color and beautifully fragrant with high acid and bright fruit flavors.
