VINTAGE 2019

IN THE VINEYARD

On February 3, 2010, Demeter USA, the only certification agent for Biodynamic® farms in the United States, certified the 17-acre estate vineyard and garden at DeLoach Vineyards, fully compliant with their standards for Demeter Biodynamic status. As one of less than 100 wineries or vineyards in the U.S. with Demeter certified Biodynamic estate vineyards, DeLoach is among an elite group of sustainable wine grape growers committed to farming in parallel with the Earth's natural cycles.

CONVERSATIONS WITH THE WINEMAKER

Our Old Wente Clone, Montrachet Clone and Clone 809 vineyard blocks provided the fruit for this wine. The grapes were harvested on September 12 and 14 and were whole cluster pressed. The juice underwent native yeast fermentation and was aged in 19% new French oak for 10 months to increase the complexity and rich depth of the wine while still retaining the delicate fruit components.

TASTING NOTES

This 2019 Estate Chardonnay opens with aromas of warm apple, toasted almonds and savory undertones. The medium-bodied palate is round and creamy with fresh and juicy stone fruit flavors with notes of brioche and a touch of citrus. The finish is long and refreshing.
