### SONOMA COUNTY PINOT NOIR

With its roots so deeply ensconced in the foundations of Sonoma where it was established in 1857, Buena Vista Winery is again introducing wines from Sonoma. The Sonoma wines include a diverse array of varietals that celebrate the diversity of Sonoma's terroir and the contribution of Buena Vista to establishing the California wine world.

After a few challenging years, 2021 was a steady year, allowing the grapes to ripen at their regular pace. While the yield was slightly lighter to average due to a variety of water conservation efforts, the 2021 vintage is showing exceptional flavors – ripe, intense, and fruit forward – with a much better balance than in past years.

Our 2021 Sonoma County Pinot Noir is a lovely wine with aromas of a delicate floral bouquet and wild strawberries. This wine opens up with Bing cherry and dark, ripe blackberry notes that indicate the classic characteristics of Pinot Noir. Complex flavors of orange zest and hints of chocolate and subtle earthiness dance on the palate. Medium-bodied and balanced between lightness and richness this wine could complement a range of dishes, especially those with savory and roasted vegetables, duck or chicken.
