VINTAGE 2021

IN THE VINEYARD

At DeLoach Vineyards we strive to produce distinctive wines that spotlight unique terroirs in a socially and environmentally responsible way, practice sustainable viticulture and utilize minimally intrusive winemaking techniques. The grapes for our 2021 Chardonnay were carefully chosen from cool, fog-influenced vineyards sustainably farmed throughout the Central Coast AVA.

CONVERSATIONS WITH THE WINEMAKER

The grapes for our 2021 Central Coast Chardonnay were selectively harvested at night before undergoing a cold fermentation and aged on lees in 100% stainless steel. The lees were stirred weekly to provide a nice creaminess to the mid-palate and to perfectly accentuate the wine's naturally bright acidity.

WINEMAKER'S NOTES

Inviting notes of ripe peach, white rose, lemon meringue and baked brioche on the nose. Balanced yet with crisp acidity on the palate, layered flavors of Asian pear, Meyer lemon, and a hint of toffee welcome a lingering, elegant finish.
