VINTAGE 2021

IN THE VINEYARD

On February 3, 2010, Demeter USA, the only certification agent for Biodynamic® farms in the United States, certified the 17-acre estate vineyard and garden at DeLoach Vineyards, fully compliant with their standards for Demeter Biodynamic status. DeLoach is among an elite group of sustainable wine grape growers committed to farming in parallel with the Earth's natural cycles.

CONVERSATIONS WITH THE WINEMAKER

The Pinot Noir grapes were hand-harvested on August 29 from the estate and went directly to press avoiding any skin contact. The result is a light and crisp white wine.

TASTING NOTES

Our 2021 Pinot Noir Blanc white wine opens with aromas of lemon, citrus and lime with a hint of orange blossom. Crisp and refreshing on the palate, flavors of blood orange and stone fruit are complemented with a splash of grapefruit. This is a well-balanced wine integrated with a soft minerality on the finish.
