Pinot Noir Blanc

ESTATE VINEYARD

GREEN VALLEY

GREEN VALLEY OF RUSSIAN RIVER VALLEY

VINTAGE 2021

IN THE VINEYARD

In the western hills of the Russian River Valley, the small Green Valley appellation is Sonoma County's coolest region. Evening fog blankets push over from the Pacific Ocean to temper the warm summer days. Pinot Blanc, a clone of Pinot Noir, favors this cooler climate and is a late ripening grape that boasts flavors of pear, green apple and apricot with a nice stone fruit minerality on the clean and crisp finish.

CONVERSATIONS WITH THE WINEMAKER

The Pinot Noir grapes were hand-harvested on August 18 from the estate and went directly to press avoiding any skin contact. The result is a light and crisp white wine.

TASTING NOTES

Our 2021 Pinot Noir Blanc entices you on the nose with crisp aromas of citrus, lemon zest and fresh lime with a touch of orange blossom. Refreshing and vivid on the palate, flavors of stone fruit and orange are accentuated with a dash of pink grapefruit. This wine is well-balanced and invigorating with a refined minerality on the finish.

TECHNICAL NOTES

APELLATION:
Green Valley, Russian River Valley

VARIETALS: PINOT NOIR

ALCOHOL: 13.5%

PH: 3.19

TA: 7.0 g/L

PRODUCTION: 109 cases
