PH: 3.34

TA: 6.5 g/L

R|COLLECTION SAUVIGNON BLANC

CALIFORNIA

2021

ABOUT THE VINTAGE

2021 was a smooth and uneventful harvest season. June started out warm, followed by a cool and foggy July and August that slowed ripening and caused nice retention of acidity. Even ripening, with no extreme heat events, made for ideal growing conditions. Sparse winter rains resulted in an early budbreak, evenly developed clusters, and smaller berries packed full of flavor. Overall, the fruit was exceptional, making it another amazing year for quality.

CONVERSATIONS WITH THE WINEMAKER

The R|Collection Sauvignon Blanc features grapes from Lodi and a selection of North Coast and Napa vineyards. The North Coast and Napa fruit brings vibrancy and complexity to the wine and is complemented by the aromatics and texture from the Lodi grapes. Minimally intrusive winemaking techniques allow the true California terroir to shine through in every glass poured and bottle enjoyed.

WINE PROFILE

This R|Collection Sauvignon Blanc was fermented in 100% stainless steel tanks to preserve freshness. It opens with aromas of lemon, stone fruit and vibrant fresh lime on the nose. The palate begins with crisp acidity and refreshing flavors of apple, honeydew melon and pineapple. The finish is clean and lingers with a hint of minerality.
