R|COLLECTION FIELD BLEND

CALIFORNIA

2022

ABOUT THE VINTAGE

The 2022 growing season resulted in excellent quality fruit. After years of drought, substantial winter rain was followed by dry conditions through March. Spring brought mild and cooler temperatures with bud break beginning in March. September saw a week of triple digit heat days that were followed by mid-month rains which slowed harvest. The grapes left hanging on the vine became concentrated with intense flavors resulting in wines with structure and luxurious tannins.

CONVERSATIONS WITH THE WINEMAKER

The R|Collection Field Blend harkens back to the early days in California viticulture when vineyards had several different varietals planted together, and an entire vineyard would be harvested and vinified together, often producing remarkably unique wines from multiple varietals.

Our winemaking team has revived this tradition of blending multiple varietals together to produce a standout wine. The 2022 R|Collection Field Blend elegantly brings together five core varietals: Cabernet Sauvignon, Zinfandel, Petite Sirah, Petite Verdot and Merlot for a wine that is layered and complex.

WINE PROFILE

The 2022 R|Collection Field Blend greets you with a rich aroma of dark fruits complemented by hints of cinnamon and clove. Its palate offers a herbaceous character, accompanied by delicate touches of vanilla and ripe strawberry, culminating in a well-balanced, enduring finish.
