ABOUT THE VINTAGE

2023 experienced one of the longest growing seasons in a decade or more. Winter and spring rains led to healthy, saturated soils. The mild, warm summer weather supported healthy canopy growth through bloom and set. Relatively cool weather throughout the growing season in tandem with an abundance of sunshine allowed grape skins to ripen slowly. Harvest kicked off around Labor Day and wrapped up by mid-November. The long harvest season, which provided extended hang time to develop flavors leading to an exceptional, high-quality, memorable vintage.

CONVERSATIONS WITH THE WINEMAKER

This wine is a beautiful blend of prestigious north coast vineyards. High elevation vineyards with unique mountain climate conditions produce grapes with good acid retention during ripening. Neutral oak barrels were used during fermentation, capturing the vibrancy and freshness of this Cabernet Sauvignon.

WINE PROFILE

Our 2023 Family Classic North Coast Cabernet Sauvignon greets the senses with vibrant aromas of ripe plum, tangy raspberry, succulent strawberry, and hints of warm baking spice and fresh eucalyptus. Medium to full-bodied, it unveils luscious flavors of dark cherry, juicy blueberry, and rich mocha, accented by a whisper of toasted almond and creamy vanilla. Finishing with a silky texture and smooth tannins, this wine is both indulgent and elegant.
