### 2012 JOVITA'S SELECTION CHARDONNAY

The Buena Vista Vinicultural Society, formed in 1863 by the winery's founder, Count Agoston Haraszthy, to further improve its winemaking prowess and expand its vineyards, has been restored as a collection of unique, small-production wines that honor the winery's pioneering spirit and contribution to California winemaking.

The Vinicultural Society explores clonal selections, varietals and the incredible terroir of Sonoma County. Named for the wife of the Count's son, Arpad, and the daughter of General Mariano Vallejo, Jovita's Selection Chardonnay is harvested from two vineyards, one atop the mountains of Sonoma and the other out by the Sonoma Coast. The grapes were hand-harvested and whole cluster pressed using the direct-to press method. The wine underwent natural fermentation which was completed in barrel.

Our 2012 Jovita's Selection Chardonnay opens with aromas of jasmine and tangerine with touches of apple blossom and minerality. Mouth-coating flavors of citrus and stone fruit entice the palate while balanced acidity and nice structure make this a stylish and immensely enjoyable wine.
