2018
CALIFORNIA
CABERNET SAUVIGNON

A long tradition...

In 1981, Lyeth Estate was founded in Sonoma County by Chip Lyeth. After traveling extensively in his quest for exceptional wines of the world, Chip fell in love with Cabernet Sauvignon, and quickly learned that blending in other varietals added layers of complexity to the overall wine. Over 30 years later, we are still dedicated to Chip's vision of making outstanding Cabernet Sauvignon.

The wine...

Cabernet Sauvignon is one of the most important components used in creating the Meritage blend upon which Lyeth has built its success. The wine allows Lyeth to showcase this varietal in a way that reveals the individual qualities it contributes. The California Cabernet Sauvignon highlights the unique terroir of one of the world's top rated grape growing regions. Sourced from the Lodi, California Appellation and carefully harvested during ideal temperatures, this wine expresses well-structured and full-flavored characteristics.

The 2018 Lyeth California Cabernet Sauvignon has a touch of Petit Verdot for added layers of depth and complexity of flavor. Violet in the glass, this Cabernet Sauvignon offers expressive aromatics of raspberry and boysenberry-cedar with a touch of minerality and a hint of cracked black-pepper. A soft and generous palate with delicious flavors of savory spice, cocoa, and a hint of lavender on a long, lingering finish.
