DURANT & BOOTH

MERCANTILE COMPANY

KENTUCKY BOURBON WHISKEY

AGED IN CABERNET SAUVIGNON WINE BARRELS

Frederick Durant and Willis & Joseph Booth moved into their family home beside the Oakville Mercantile & General Store in 1904. The store has provided provisions to the miners, farmers, ranchers and pioneers since it was founded at the Oakville Crossroads. Durant & Booth transformed the space into a grocery store and wine merchant for the Napa Valley and ran the store for over 40 years. During prohibition, they offered provisions for the out-of-town visitors seeking bootlegged wine and liquor.

Continuing the legacy of Durant & Booth offering the finest selections from prestigious locations, we are proud to present this Kentucky Bourbon Whiskey. Aged in French oak and American white oak bourbon barrels and finished in Napa Valley Cabernet Sauvignon French oak barrels, we are bringing together the best of two crafts to create one unforgettable Bourbon.
