Tasting Notes:

This beautiful Napa Valley Cabernet showcases a deep, rich plum color that will intrigue your senses immediately. With notes of black cherry, cassis, licorice and allspice, intermingled with a bit of vanilla and currant on the nose, the palate opens up to a very elegant, supple and round mouthfeel that is both luscious and opulent. This well-balanced wine is voluptuous without being overwhelming. It harmonizes perfectly with just the right amount of structure and complexity leading to a long, satisfying finish.
