**What The Number 9 Signifies:** Each JCB wine is known by a number. And each number has deep significance for Jean-Charles Boisset, the collection's creator and namesake. No. 9 is very dear to Jean-Charles because it is a special cuvee created in honor of his marriage in 2009. The No. 9 represents the unforgettable moment when he and his wife celebrated their shared passion for fine wine and embraced their luminous future.
