Tasting Notes: An unusual combination of varietals, the JCB Leopard brings together a unique balance of Cabernet Sauvignon, Petite Verdot, and Syrah. Enticing on the nose with aromas of black currant, blackberry, and herbs de Provence, this wine delights with notes of cedar and sweet plum which dazzle the palate. With a rich, yet velvety-smooth tannin structure, this wine will intrigue for years to come.

What Leopard Signifies: The Leopard is an uncommon Napa Valley blend with enticing energy and heart. The lush, velvety femininity of the Cabernet Sauvignon unites with the animalistic spice and power of Syrah. It is rich and dense, while delicate and feminine... It is wild and harmonious!

An inspiration from the wild, the Leopard is **UNTAMEABLE**. Comprised of the three elements... this wine brings together vine, earth and water in an exotic blend. It is mysterious and wild, the **EXOTIC** and the **SAUVAGE**, the harmonious balance of earth and freshness.
