TASTING NOTES: Our 2022 Sonoma Coast Natural Beauty Rosé is bursting with aromas of bright red cherry, rose petals and a hint of gardenia from the glass. On the palate, delicate flavors of dried orange peel and lemongrass lead to a full yet soft mouthfeel. Beautifully balanced acids make way for a full, bright and long refreshing finish.

WHAT NATURAL BEAUTY SIGNIFIES: Roses are a symbol of love, beauty and compassion. Embodying reason and virtue, they also offer a sense of natural beauty when they bloom in all our vineyards. The ruby, my favorite stone, represents the sun.

The rose paired with a ruby stone adorning this bottle of Natural Beauty is SENSUAL and encourages vitality. Radiating intensity and projecting an ENERGETIC enthusiasm for life, this Rosé of Pinot Noir symbolizes DIVINE love. JCB
