

2018 PHI

Cabernet Sauvignon

Divine • Mystical • Proportional

Grape Variety: 100% Cabernet Sauvignon

Region: Napa Valley

Winemaking Notes:

- Aged EXCLUSIVELY in 100% new French Oak in the LaGrange "Phi" barrel, which is made respecting the Golden Ratio in Nature (the first barrel of its kind).
- ALC: 15.5%

Tasting Notes: Phi opens with seductive aromas of dark fruits and white flowers. Optimal weather guided the harvesting, blending and future bottling of this decadent wine, allowing its vibrancy and opulence to shine through. Phi is 100 percent Cabernet Sauvignon, a blend of three sustainably and organically farmed vineyards from Oakville and St. Helena nested appellations.

What Phi Signifies: The JCB Phi is the culmination of a dream more than twenty years in the making... Phi is the ultimate expression of Napa Valley Cabernet aged in unique barrels designed exclusively for us that matches the divine proportions of the golden ratio... that mystical number whose expression surrounds us in nature, and which is thought to represent ultimate beauty. In our wine, that barrel brings us the absolute harmony between oak and wine, lending that je ne sais quoi that transcends an extraordinary wine to its zenith, its divine expression!

JCB PHI is **DIVINE** in its nature, born from the only barrel of its kind that is inspired by the natural world around us... a unique journey from grape to bottle where a **MYSTICAL** moment in time was spent in total harmony. It's no wonder the golden ratio inspired this exclusive expression of Cabernet, as its **PROPORTIONAL** perfection is found in every sip.
