BUENA VISTA

2018

CABERNET SAUVIGNON
NORTH COAST

With its roots so deeply ensconced in the foundations of California's coastal appellations, Buena Vista Winery is again introducing wines from the North Coast. The North Coast wines include a diverse array of varietals that celebrate the diversity of California's terroir and the contribution of Buena Vista to establishing the California wine world.

This delightful Cabernet Sauvignon is sourced from vineyards in Lake County and Sonoma County— all part of California's distinctive North Coast appellation.

The 2018 growing season started off with cooler temperatures which was followed by a moderate summer with fewer heat spikes than normal. Fruit set was consistent and with the milder weather, harvest began a few weeks later compared to the last few years. This longer and near-perfect growing season has resulted in structured and concentrated wines. The fruit was harvested between October 3 and October 23 before aging in 10% new French oak for 11 months.

The 2018 North Coast Cabernet Sauvignon opens with dark fruit aromas of blackberry, black cherry and a waft of cinnamon. Black currant flavors accented by black plum and a touch of black pepper spread across the palate with a hint of dark chocolate. This is a medium-bodied wine with enveloping tannins matched by sweet fruit creating a long finish.
