ANTIQUE COGNAC POT STILL

HAND DISTILLED

CALISTOGA DEPOT DISTILLERY ESTD 1868

BARREL FINISHED GIN

OUR STORY: The life of Sam Brannan – the visionary genius behind California’s Gold Rush – was marked with both spectacular prosperity and magnificent failure.

Drawing inspiration from a 19th-century Genever recipe uncovered in the historic port of San Francisco, our Prosperous & Penniless Barrel-Aged Gin undergoes a remarkable transformation during its four-years aging within Buena Vista Winery’s exquisite Chardonnay French oak casks. Infused with a carefully curated selection of warm baking spices among its botanical blend, this gin balances the robust character reminiscent of whiskey with the finesse and craftsmanship synonymous with the world of gin.
