

FOUNDING LEGACY: As early vineyard stewards at renowned estates like Beringer, the Raymond family helped define Napa Valley’s winegrowing heritage, leaving an enduring mark on its most iconic vineyards.

DECADES OF CONSISTENCY & VISION: Since 1974, Raymond Vineyards has blended five generations of winemaking, now with the bold energy of Jean-Charles Boisset. Straddling the Rutherford and St. Helena AVAs, exceptional wines are crafted through sustainable and certified organic and Biodynamic® farming.

CRAFTED WITH EXPERTISE: Guided by the family mantra “deep roots, powerful wines,” renowned winemakers Stephanie Putnam, Thane Knutson, and consultant Philippe Melka craft acclaimed that consistently earn 90+ accolades.

EMBRACING THE SENSES: Raymond brings together the land’s expression and a vibrant wine lifestyle. With its striking red velvet label and expressive style, it reflects Jean-Charles Boisset’s vision of wine as both aspirational and accessible.
