

R COLLECTION SAUVIGNON BLANC 2014

IN THE VINEYARD

The R Collection Sauvignon Blanc is harvested from the finest Central Coast vineyards in California, with each vineyard adding a unique layer into the overall taste profile. Minimally intrusive winemaking techniques allow the true California terroir to shine through in every glass poured and bottle enjoyed.

ABOUT THE VINTAGE

The 2014 vintage across California was one of the earliest harvested vintages in years. A mild winter and spring led to early bud break and created the perfect environment for flowering and fruit set. With warm days and cool nights in the summer, grape growers were able to maintain ideal acid levels with balanced, concentrated fruit flavors.

WINE PROFILE

Our 2014 R Collection Sauvignon Blanc is a lively, elegant wine fermented 100% in stainless steel tanks. Bright aromas of white peach and lime are accented by invigorating flavors of pineapple, lychee, and green apple. With a crisp acidity and a smooth, mineral finish, this wine is the perfect pairing for a variety of dishes. Try it with a crab and artichoke salad or grilled shrimp skewers.
