What The Surrealist by JCB Signifies: The Surrealist by JCB is a wine that has never been done before as a blend from the Napa Valley – seductive, lush and opulent, rich yet silky with an eternal finish... A union of powerful Petit Verdot from high elevation hillsides in eastern Napa Valley and Cabernet Sauvignon from St. Helena – known for Cabernets of femininity, elegance and grace. The wine is a surrealistic expression of our dreams for the ultimate Napa red wine.

The Surrealist by JCB portrays the experience of contrasting worlds: celebrating tradition & modernity, the real & the imagined, the past & the future, the consciousness of the self & the other, the inner & the outer worlds... Surrealism is the passage from one state to another, while also representing, for wine, the two facets of wine, the two colors of wine, the personalities of all our senses, the evocation of transformation, and the notion that time & space is limitless thanks to the elixir of freedom!
