

21st ANNUAL TOTE BOARD

THE "A" LIST

We present you with our annual "A" list, tracking the Bay Area's most celebrated socialites, politicians, and beautiful people as they graced the premier galas and gatherings of 2011—and, of course, our pages.

KEN FULK

The list is tallied by the frequency of mentions in the *Nob Hill Gazette*, and also provides a who's who (some say, a "who's *au courant*") directory of the locals we love to celebrate. This year, the print edition of our publication will include everyone with two mentions and above, and those who had one mention will appear on our website, nobhillgazette.com.

The most-mentioned male and female are **Ken Fulk** and **Susan Tamagni**. Ken has been called dazzling and decadent, and his interior designs layer a surprising mix of objects, texture, and color. His fresh style enhances gala fundraisers, charitable programs, and the Bay Area's finest homes. The city's quintessential philanthropic chairperson, Susan gives her support to many organizations, most recently serving as co-chair for last year's San Francisco Opera Ball. She glitters behind-the-scenes and in front of the camera.

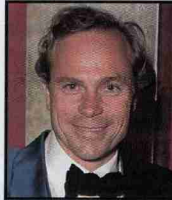

SUSAN TAMAGNI

Previous winners may only win once in a ten-year period, but they will be enshrined in our List of Honor for all time. These include: **Willie Brown, Jr. Stanlee Gatti, Pamela Joyner, Ann Getty, Wilkes Bashford, Elisa Stephens, Charlotte Mailliard Shultz, Vanessa Getty, Denise Hale, Ellen Magnin Newman, Jennifer Siebel Newsom, Ann Moller Caen, Barbara Rosenberg, Tatiana Sorokko, OJ Shansby, Danielle Steel, Paul Pelosi, Gordon Getty, Gary Shansby and Trevor Traina.**
