Plan your next getaway to Sonoma County's beautiful wine country. (GETTY IMAGES)

Northern California's Sonoma County is a dream destination for wine and food lovers. The area's diverse geography and multitude of microclimates provide an optimal environment for producing world-class, terroir-driven wines and bountiful local foods. [Sonoma](#) is home to more than 425 wineries and nearly 60,000 acres of vineyards that span 19 American Viticultural Areas from the Pacific Coast to the Mayacamas Mountains. In addition to wine tastings, many of these top Sonoma wineries host special events like dinners and live music performances. Read on to learn more about the delicious wines and inviting atmospheres offered in Sonoma's wine country.
