**F**ounded in 1970 to spread awareness about environmental issues, Earth Day is a great opportunity to learn about nature and local ecosystems and get involved in protecting them.

There are many ways to show your appreciation for the bountiful land in and around Sonoma County, whether it's hiking in your favorite park, learning about local flora and fauna at a museum or volunteering your time to clean up the waterways. For those looking for learning opportunities or inspiration to get outside this Earth Day, April 22, check out these upcoming events around the county.

Want to simply appreciate the local land on a great hike this Earth Day, or any day of the year? Here are some of our [favorite hikes in Sonoma County](#).

Want a farm-forward, plant-based meal in honor of Earth Day? Visit Healdsburg's hotly-anticipated new restaurant [Little Saint](#), which will open on Earth Day. Find more plant-based meals [here](#).

## Events

### Earth Day Tasting Flights at Buena Vista Winery, April 23-24

Buena Vista Winery will celebrate Earth Day with special tasting flights from 10:30 a.m. to 3:30 p.m. April 23-24. Guests can explore the vineyard while learning about the estate's organic vineyard practices and enjoying sustainably grown wines. Bar tasting is \$25, seated tasting is \$35 and both tastings are free for club members. Reserve Earth Day tastings on [Tock](#).
