

## **Buena Vista to host Gatsby Gala benefit**

SONOMA — Buena Vista Winery will be transformed into a Roaring '20s destination on Saturday, July 1 when the winery hosts the Great Gatsby Gala to benefit the Huntington's Disease Society of America.

With a goal to raise \$100,000 to support the society's mission, the event will honor Jean-Charles Boisset, proprietor of Boisset Collection, which owns Buena Vista Winery, and Dr. Laurice Yang, clinical assistant professor at Stanford University in the Neurology & Neurological Sciences department.

Guests are invited to wear Gatsby-themed attire to enjoy live entertainment, dinner and wine, Buena Vista's classically retro Bubble Lounge and a silent auction.
