Buena Vista Winery, Sonoma

Founded in 1857, Buena Vista Winery is the oldest commercial winery in California. The historic property provides not only a delicious wine tasting experience for adults, but also an educational and interactive experience for kids. Schedule a tour guided by period actors, who will guide your family through the historic property, including visiting old wine caves and the Historic Wine Tool [Museum](#), which features a colorful multi-media presentation that feels like Wine Country meets Disneyland. Don't miss the hedge maze and the giant crocodile. Tastings start at \$25 for adults.
