

BUENA VISTA 2015 CHARDONNAY

North Coast, California, United States

ON \$24.95 (396440)

Founded in 1857, Buena Vista Winery has been revitalized since becoming part of the Boisset Collection. The historic winery was thoughtfully renovated in 2012 and the quality of the wines continues to move from strength to strength. Produced from vineyards in Mendocino, Sonoma and Lake Counties, including sites in the Russian River Valley, Redwood Valley and Clear Lake, the 2015 North Coast Chardonnay is a blend of stainless steel and barrel fermented components, with partial malolactic conversion. The resulting wine offers attractive tree fruit, citrus and spice notes on the nose and palate. It's appealingly concentrated and refreshing, which makes it enjoyable by the glass or a suitable partner for grilled seafood or roast chicken.
