

Party-Pleasing Pinots

We're getting ready for the holiday season and between all the parties and festivities, it's difficult to pick out the perfect bottle to bring. Not to worry – Goodtaste and H-E-B have some crowd-pleasing pinot noirs that are great for any occasion.

Our last bottle is an H-E-B favorite: a sparkling pinot noir rosé. The French **Charles de Fère Réserve Rosé** (\$18.99) has a beautiful blush color. It's a dry, slightly acidic rosé that you can drink on its own or pair with a light seafood pasta or a spicy curry.
