

THE NEW JCB TASTING SALON & ATELIER IN YOUNTVILLE

by JSFashionista Monday, September 19, 2016

Early Spring of 2016 Jean Charles Boisset (aka J.C.B.) of Boisset Family Wines opened the Atelier by JCB in Yountville. I was invited for a press preview so was lucky enough to visit before the grand opening and be hosted by Jean Charles and his incredible team. WOW!! It's really hard to put into words how incredible this adorable atelier and tasting room is.

A special thanks to Jean-Charles and his incredible team for having me. What a lovely event and it was such a blast getting to see it before it opened to the public!
