week 5 2018 - my weekend wines

By billn on February 5, 2018

Sneakily extending this year's 'Cremant January' into February.

## **Louis Bouillot, Cremant de Bourgogne Extra Brut – Limited Edition**

Deeper golden. Oh – now we are talking! A much finer bubble and already suaveness too – this could be an expensive wine from another place. Extra Brut but not a hint of sharpness – if anything this delivers its flavour in a very composed and fine style. Truly great cremant – fine and not a hint of oxidative notes.

**Rebuy – Yes**
