Louis Bouillot Brut

France, 750ml

A richly textured sparkling wine that tastes very much like Champagne! With beautiful texture and flavor, this could easily be mistaken for Champagnes at twice the price. Displaying apple and pear aromas and flavors, medium-body with

a creamy yet dry, complex finish. Great value! Enjoy as an aperitif with chicken or seafood or on its own. All harvesting and sorting is done by hand. Burgundy's house of Louis Bouillot was founded in 1877 by Jean Bouillot, a wine and spirit merchant who named the label in honor of his father.
