## WINES WE'RE LOVING FOR SUMMER 2019

**LVE Rosé** – Celebrity brand wines aren't always all they're cracked up to be, but with the debut of Bon Jovi's rosé last summer, we've learned to keep an open mind. One of our favorite crooners, John Legend, teamed up with Napa Valley's Raymond Vineyards to create LVE, a delicious, light rosé using grapes from Côtes de Provence. Comprised of 60% Grenache, 25% Cinsault and 15% Syrah, the limited-edition wine promotes notes of peach blossom, raspberry and apricot, without being overly sweet.
