## Sip Rosé This Memorial Day Weekend With John Legend and LVE Wines

JOHN LEGEND KICKS OFF SUMMER WITH HIS EXCLUSIVE WINE COLLECTION.

*Memorial Day weekend is finally here, which means it's time to break out the grill and toast to good times with good people. But wait - what are we toasting with?*

*Everyone knows a bad drink at a cookout is just bad, so this weekend, whatever you're sipping needs to be a hit. Thankfully, John Legend knows as much about smooth drinks as he does smooth tunes, and has the perfect addition to your holiday get together.*

Legend has partnered with Raymond Vineyards Proprietor, Jean-Charles Boisset, to bring us *LVE (Legend Vineyard Exclusive) collection* a limited-edition collection of great-tasting Napa Valley wines. LVE ups the game when it comes to vino with perfectly blended, hand-selected rosé that can be shipped straight to your door.

With its fresh flavor notes and sweet aromas, *Côtes de Provence Rosé* (\$25) is definitely the star of this limited-edition collection. It's perfect to sip while chowing down on burgers and shrimp kebabs this weekend.

We don't know about you, but we're ready to get our sip on with friends and family this weekend. Let the summer of LVE begin!
