Whether you have time to plan or are in a pinch, [Haskell's](#) Ted Farrell shares advice on building the perfect cheese platter for your next gathering.

Cheeses featured at available at Haskell's locations in downtown Minneapolis and in the Highland Park neighborhood of Saint Paul.

- Dirt Lover from Green Dirt Farm
- Drunken Goat
- Ruby from Green Dirt Farm

Pair those cheese with these wines:

- [Lockwood Chardonnay](#)
- [Napa Cellars Pinot Noir](#)

Ted recommends grabbing a bottle of Pinot Grigio, a wine that pairs with most cheeses. Casa Farrelli, available at Haskell's, is a reasonable price, too.
