About Napa Valley Wine Train

The Napa Valley Wine Train is one of the most distinctive Napa restaurants, offering an authentic, memorable experience that echoes the glory days of train travel, with fine dining service, multiple course meals, Napa Valley scenery and ultimate relaxation aboard exquisitely restored vintage rail cars. This top-dining establishment is housed in a museum quality, antique train that runs on 25-miles of track in the heart of the Napa Valley. The train itself has two engines, three kitchens on board, and a collection of early 20th century Pullman rail cars faithfully restored with Honduran mahogany paneling, brass accents, etched glass partitions and plush armchairs that evoke the spirit of luxury rail travel in the early 1900s.
