**Raymond Vineyards Welcomes Jancis Robinson and Linda Murphy  
to celebrate the release of *American Wine: The Ultimate Companion to the Wines  
and Wineries of the United States***

Please join Raymond Vineyards for an event celebrating the release of *American Wine: The Ultimate Companion to the Wines and Wineries of the United States* by Jancis Robinson and Linda Murphy on **Sunday, March 17 from 12:30 to 3:30 PM**. Wine and cheese will be served and books will be available for purchase and signature by both Jancis and Linda.

*American Wine* (University of California Press, March 2013, \$50.00) is a full-color, comprehensive book for wine lovers and United States history enthusiasts. Organized by geographical region, *American Wine* provides convenient "Snapshots" for each major winegrowing region including: information about most-planted wine varieties, acreage, and key wineries from Trailblazers (historic wineries) to Steady Hands (consistently reliable brands) to Superstars (with the most sought-after wines) to Ones to Watch (up-and-coming and particularly innovative producers). This attractive guide is an ideal reference for wine experts, novices, and everyone in between.

Summing up the philosophy of Raymond, owner Jean-Charles Boisset says, "We are honored to host our great friends Ms. Robinson and Ms. Murphy for their California wine country debut. *American Wine* vividly brings to life the inspiring history of American wine and the rich diversity of its wine culture."

Raymond Vineyards  
Reception will be hosted in The Red Room, Raymond's plush and luxurious tasting lounge.
