2013 RUSSIAN RIVER VALLEY CHARDONNAY

IN THE VINEYARD

Our Russian River Valley Chardonnay is predominantly harvested from the BCD Vineyard, the Norris Vineyard, the Wallace Vineyard and the Boriolo Vineyard. Each of these Russian River Valley Vineyards contributes their unique complexities to the final blend.

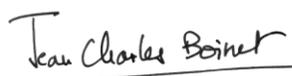

The BCD Vineyard, located adjacent to the DeLoach Estate on a very gentle south facing slope, features heavy clay soils that decrease the vigor of the vines and is influenced by the Laguna de Santa Rosa. The Norris Vineyard is located in the Chalk Hill sub-appellation of the Russian River Valley and is planted to two clones of Chardonnay – 809 and 17. Clone 809 provides floral and other high-tone aromatics while the Clone 17 lends richer, riper fruit flavors. The Boriolo Vineyard is located on the Olivet Bench northeast of the winery. The vineyard's sandy and clay loam soils produce fruit that is higher in acidity with more minerality and offering fresh fruit flavors. Together, these vineyards produce the backbone of our Russian River Valley Chardonnay.

CONVERSATIONS WITH THE WINEMAKER

The wine underwent 100% Malolactic fermentation and was aged for 9 months in 60% French oak barrels (10% new), with the balance in stainless steel tanks. The result was a well-balanced wine with bright acidity and a rich, round mouthfeel.

TASTING NOTES

Our 2013 offering effortlessly combines the two distinct styles of crisp refinement and rich elegance. Inviting aromas of ripe Asian pear and honey suckle flowers are intertwined with layers of tangerine. Nutmeg and muskmelon are displayed on the palate and are complemented with flavors of vanilla cream and baking spice.
