In the 1860's Buena Vista covered more than 6,000 acres that ran up into the foothills and into Napa County. In 1861, our founder, Count Haraszthy, journeyed to Europe to procure the finest grapevines. While in Bordeaux, he declared "Cabernet Sauvignon is its unsurpassed grape; the wine made of it possesses splendid color and an exquisite bouquet." Bringing choice cuttings back to California, he propagated them at Buena Vista and bringing Cabernet Sauvignon to the Napa Valley. We celebrate Buena Vista's historic contribution to Napa wine by offering this rich, dense and opulent Napa Valley Cabernet Sauvignon.

The inaugural release of the Chateau Buena Vista Cabernet Sauvignon celebrates and honors Buena Vista's indelible presence and significant contributions to the California wine world. Buena Vista has returned to Napa Valley, where Cabernet is the King, if not the Count. Sourced from vineyards from Yountville to St. Helena, the wine was aged for 28 months before being racked and aged an additional four months in French oak barrels, 40% new, for final aging. It was then bottled unfiltered.

The wine hails from vineyards throughout the Napa Valley, and is a rich and opulent Napa red wine with intensity, structure and power. It opens with rich aromas of black cherry and cardamom with a touch of black licorice. Spreading across the palate are flavors of red plum, black currant and cherry. The fine grained tannins are silky and soft with a full-bodied mouthfeel and a long, lingering finish.
