2015 ESTATE VINEYARD CHARDONNAY

In the Vineyard

On February 3, 2010, Demeter USA, the only certification agent for Biodynamic® farms in the United States, certified the 17-acre estate vineyard and garden at DeLoach Vineyards, fully compliant with their standards for Demeter Biodynamic status. As one of only sixty-four wineries or vineyards in the U.S. with Demeter certified Biodynamic estate vineyards, DeLoach is among an elite group of sustainable wine grape growers committed to farming in parallel with the Earth's natural cycles.

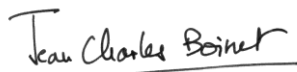

The 2015 vintage in Sonoma County was the earliest harvested vintage to date, beginning in early August and finishing in mid-September. A hot and dry summer led to developed fruit and rich, ripe flavors and while yield was down overall, the smaller berries had concentrated flavors and exceptional quality.

Conversations with the Winemaker

Our Old Wente Clone, Montrachet Clone and Clone 809 vineyard blocks provided the fruit for this wine. After whole cluster pressing, the juice underwent native yeast fermentation and lees stirring for 10 months. Extending the barrel aging time in French oak, 30% new, to 15 months increased the complexity and rich depth while still retaining the delicate fruit components of this elegant Chardonnay before bottling unfiltered.

Tasting Notes

With a rich golden honey color in the glass, our 2015 Estate Chardonnay opens with enticing aromas of musk melon, Fuji apple, and a touch of floral perfume. Warm, full flavors of Asian pear and nutmeg spread across the palate creating a wonderfully rich white wine. With a silky mouthfeel and moderate acidity this wine pairs flawlessly with any meal.
