PASO ROBLES
2021

2021 VINTAGE

After a few challenging years, 2021 was remarkably without fire or smoke during harvest and void of long, lingering heatwaves, allowing the grapes in our cooler Russian River AVA to ripen at their regular rate. While the yield was slightly lighter to average due to a variety of water conservation efforts, the 2021 vintage is showing exceptional flavors – ripe, intense, and fruit forward – with a much better balance than in past years.

WINEMAKER'S NOTES

Paso Robles's signature temperature swings, which are greater than any other appellation in California, mixed with its unique micro-climates and soils and long growing season result in some of the most premium wines within the state. While over 60 wine grape varieties are grown in the region, Cabernet Sauvignon is the predominant grape planted.

TASTING NOTES

Brimming with bright fruit aromas of Bing cherry, plum and blackberry, this Paso Robles Cabernet Sauvignon is balanced with notes of vanilla, cocoa and espresso. Dark fruits continue through to the full-bodied palate with savory hints of tobacco, spice and earth. Layered flavors lead to a long and desirable finish.
