NORTH COAST

CHARDONNAY

VINTAGE 2021

With its roots so deeply ensconced in the foundations of Sonoma where it was established in 1857, Buena Vista Winery is again introducing wines from the North Coast. These wines include a diverse array of varietals that celebrate the diversity of the North Coast's terroir and the contribution of Buena Vista to establishing the California wine world.

This delightful Chardonnay is sourced from vineyards in Mendocino, Sonoma and Lake Counties, including vineyards in the Russian River Valley, Redwood Valley and Clear Lake – all part of California's distinctive North Coast appellation.

2021 VINTAGE NOTES

After a few challenging years, 2021 was a steady year, allowing the grapes to ripen at their regular pace. While the yield was slightly lighter to average due to a variety of water conservation efforts, the 2021 vintage is showing exceptional flavors – ripe, intense, and fruit forward – with a much better balance than in past years.

TASTING NOTES

Enticing stone fruit aromas greet the nose with notes of lemon peel and violet. Apricot and peach flavors continue through to the palate with toasted brioche and lemon curd. Crisp and refreshing with every sip, there is a nice salinity on the finish.
