IN THE VINEYARD

At DeLoach Vineyards we strive to produce distinctive wines that spotlight unique terroirs in a socially and environmentally responsible way, practice sustainable viticulture and utilize minimally intrusive winemaking techniques. The grapes for our 2021 Pinot Noir were carefully chosen from fog-influenced vineyards sustainably farmed throughout the Central Coast AVA.

CONVERSATIONS WITH THE WINEMAKER

Old World winemaking heritage meets Central Coast terroir in this vibrant DeLoach Vineyards Pinot Noir. We take great pride in producing distinctive wines that highlight the unique nuances of each appellation, while at the same time nourishing the land with eco-friendly viticulture and minimally intrusive winemaking. The fruit for this luscious Pinot Noir was carefully selected from premium vineyards on California's Central Coast during mid-October.

WINEMAKER'S NOTES

Aromas of fresh wild strawberries, crushed red rose petals, and sour cherries tickle the nose of this 2021 Pinot Noir. Freshly picked wild red raspberries, red fruits, and pomegranate flavors dance throughout the roof of the mouth. A well-balanced mid-palate complements the mouth-watering acidity and a lingering finish.
