VINTAGE 2022

All of our California appellation wines carry the Heritage designation and reflect our commitment to showcasing the Golden State's sun-drenched terroir.

IN THE VINEYARD

At DeLoach Vineyards we strive to produce distinctive wines that spotlight unique terroirs in a socially and environmentally responsible way, practicing sustainable viticulture and utilizing minimally intrusive winemaking techniques. The grapes were carefully chosen from warm, sunny vineyards sustainably farmed from the Delta Region of California.

2022 VINTAGE

The 2022 growing season resulted in excellent quality fruit. After years of drought, substantial winter rain was followed by dry conditions through March. Spring brought mild and cooler temperatures with bud break beginning in March. September saw a week of triple digit heat days accelerating harvest for a number of varieties. White wines from 2022 have perfect acidity, freshness and have remarkable flavor and texture.

WINEMAKER'S NOTES

Delightful citrus hints of lemon and orange peel extend a warm welcome to the olfactory senses, accompanied by subtle undertones of honeysuckle. The palate is graced with flavors reminiscent of pear, white peach, and zesty lemon curd, harmoniously complemented by nuanced notes of vanilla. The well-balanced acidity of this offering harmonizes beautifully with various culinary pairings, and the conclusion is marked by a vibrant brightness that lingers.
